Hi Ruben,

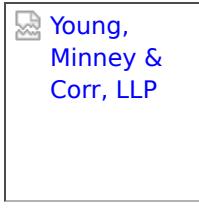

I am glad to have been helpful. On the training, if you or other schools are interested, I can also present training on conflicts of interest along with the Brown Act - to get the most out of the training. Just let me know if I can help.

Thanks,

Wayne

Thanks for all your work on this, Wayne. You're a real lifesaver.

Ana submitted to Jose two hours ago. I'll forward her email shortly.

We definitely have interest in YMC-provided training. We had partnered with three other schools for a May 15 training to defray the costs, but scheduling conflicts and one school closure did not allow us to continue.

I'll follow up with the other interested leaders to reschedule. If no one is interested, then we will proceed with training alone.

I'll keep you updated.

RE: Excelencia

Have a great weekend!

Sincerely,

Ruben

Hi Ruben,

Thank you for all the information – it was very helpful. Attached is a draft letter to LAUSD. Ana may want to add her style to it as she sees fit. If she or you want to make changes, I am happy to discuss and to make sure any changes do not cause any legal issues.

In the letter, I reference attachments A and B. I have attached those as well to this email and Ana can include them with her submission to Jose Rodriguez.

Please let me know if you or Ana have any questions or if I can be of any further help. One thing I will mention is that we provide training on the Brown Act and conflicts of interest to Charter School Boards on a regular basis. If you have any interest, just let me know.

Thanks,
Wayne

Hi Wayne,

Coming from Ana would be best since she has a strong relationship with the District and has been in communication with Jose Rodriguez frequently. As soon as you send the letter to us, I'll call her immediately to have her sign, scan, and send the letter.

1. Correct, we have never had a closed session.
2. We did quite a bit of self-training leading up to our LAUSD authorization on June 13, 2017. I led most of the training using CCSA, ExED, and Public Counsel provided resources. We reviewed the Brown Act thoroughly and in detail since we knew it would come up in our capacity interview with the District. Dates outlined below:
 - a. January 12, 2017
 - b. January 21, 2017
 - c. February 13, 2017
 - d. April 10, 2017
 - e. May 24, 2017: Tammy Stanton (former Executive VP from ExED) provided in-person training on LCFF, Categorical Funding, and Brown Act.
3. We had a Brown Act training scheduled in May 2018, but had to cancel due to schedule conflicts. We have yet to reschedule but will prioritize a training before December.

Sincerely,

Ruben

Great! I am almost done with the draft letter. I am preparing for Ms. Lasso's signature under the school's letterhead. I always recommend that when the school is dealing with

LAUSD's CSD. If you would rather it come directly from our firm, let me know and we can discuss. A couple final questions - 1) it appears you have not had a closed session in any meeting yet, is that correct? And 2) Have you had a Brown Act training or do you have one scheduled? It is always good to include that in a reply letter like this.

Thanks,
Wayne

Hi Wayne,

Correct. There is a date stamp above generated by our site engine that indicates all agendas were posted at least 72 hours in advance (Regular Meetings) or 24 hours (special Meetings).

Attached is a spreadsheet of teleconference meeting locations and attendees by board meetings and committee meetings (separate tabs).

Please let me know if you require anything else! I'll be on the road but accessible by phone.

In reviewing the website, I think I see that there is a “date stamp” above the posting of the agendas for the dates. Am I correct in my reading the dates?

Hi Ruben,

Is it accurate to say that agendas have been posted 72 hours or more in advance at the meeting location and on the website? Do you post them anywhere else? Is there anyway to prove when the agendas are posted on the website? For instance, is there something like a date stamp on posts made on the site?

Thanks,
Wayne

Hi Wayne,

I'm driving back to LA and won't be able to provide names synced to addresses until early tomorrow morning.

As for businesses below, they are the following:

324 North McDonnell Ave

East LA Rising, Inc. (non profit, formerly East LA Boys and Girls Club)

Accessibility to public has never been an issue as one time we had 30+ protesters present.

4538 East Cesar E Chavez Ave

La Caretta restaurant. This is owned and operated by one of our former Board Members, Samuel Robles. The restaurant closes at 5pm so people present never had to purchase anything. He kept the door open during our meetings. No one ever came by. This was also before we were a “union target.”

1016 South Fresno Street

Ramon Garcia Recreation Center. Open to the public. Accessible to all.

312 North Records Avenue

Collegiate Charter High School of Los Angeles. This school is colocated at Belvedere Middle School. Their staff monitored the entrance. No one from the public attended these meetings.

All agendas were posted at these locations at least 72 hours in advance.

Also, is there a way to know which Board member was at what remote participation location for each of the Board meetings? This is not absolutely necessary, but it would offer a more complete response to LAUSD.

I have left a message with Jose Rodriguez at LAUSD and hopefully he will call me in the morning - I will be asking him what "evidence" he is looking for to show the Board complies with the Brown Act (#3-5). These are kind of odd requests and not sure what we can offer besides the minutes. I just want to make sure we provide what they are looking for so we can close down this inquiry.

I still fully expect to have the draft to you for your review tomorrow.

Thanks,
Wayne

Hi Wayne,

We received this letter today from LAUSD - Charter Schools Division.

It's in response to the letter sent by Bush Gottlieb on behalf of UTLA.

Can you please draft a response to the District based on our previous conversations? I can provide all minutes and agendas for Board and committee meetings dating back to June 2017. You can also find them [here](#) and [here](#), respectively.

I apologize for the quick turnaround, but the District is requesting a letter by July 9.

Happy to hop on a call to discuss further.

Sincerely,

Ruben
